

Those touched by cancer know the dark times this disease can bring.

Even amid the darkness, lights of hope and comfort shine.

The American Cancer Society Relay For Life of North Shelby is an overnight event at Pelham High School's Panther Stadium, May 18-19, 2012, that unites community members against cancer.

One of the cornerstones of this important event is the luminaria ceremony, where candles shine in honor of those who battle cancer and in memory of those who have been lost. As Relay For Life participants walk throughout the night, the luminaria light their journey.

If someone in your life has been touched by cancer, order a luminaria in their honor or memory.

Your donation will help fund the American Cancer Society's fight against this disease, including research to help find a cure.

For more information about **Relay For Life of North Shelby**, call 205-918-3212.
